

## RWH Myers Rule #4

# focus rules

We focus on your business interruption needs so you can focus on your business. It's that simple.

157,264  
331,209

When the unexpected occurs, you want to focus on getting back to business. RWH Myers' loss accounting professionals have calculated over **\$10,000,000,000 in property claims** for clients in over **20 countries**.

With experience like that, you can count on us to focus on your **business interruption** claim so you can concentrate on your business.
