

The defining moment: Managing your claim

# Moment to moment your claim status changes.

**My claim** lets you monitor your claim on-line,  
in real time, worldwide.

Be it noon or midnight. In America or Albania. Doesn't matter—you have access to all **your vital claim information**. It's as simple as turning on your computer, smart phone or tablet.

When you work with RWH Myers we give you access to our FREE proprietary MyClaim claim management center where you can **customize a monitoring system** that fits your needs. Create contact lists, build action item lists, assign responsibilities and monitor timetables—everything you need to **stay on top of your claim** status at **any time, any place in the world**.

The moment you begin using MyClaim is the moment you'll say, "My Claim is **in the right hands**—mine and RWH Myers."
