Experience

Ms. Coleman has over 21 years of accounting experience in the Gas, Electric, Nuclear, Water and Cable Industries. She managed an accounting firm that analyzed and reported on critical data in the regulatory utilities space. Sara served as Senior Regulatory Analyst for numerous cities and agencies across the country to analyze, assess and review utility companies rate filings including Electric, Gas and Nuclear. Ms. Coleman conducted analysis and interrogation on filings, reports and issues to ensure compliance with proposed regulatory policies implemented by the regulatory body. These proceedings ranged from rate changes, nuclear dismantlement studies, depreciation analysis and various other issues presented by the regulated industry. She has provided expert witness testimony in many proceedings before Utility Regulatory Commissions. Ms. Coleman has been a key individual in well over 150 rate proceedings.

Prior to working in the Utility Industry, Ms. Coleman was with Arthur Anderson & Company in Houston, TX for 3 years. In her role as an Audit Manager, Ms. Coleman was mainly involved in Manufacturing, Airlines and Hospitality Industries.
